

# New Technical Means of Surveillance and the Protection of Fundamental Rights

## Workshop 1 Data Retention - Conflicts with Fundamental Rights

- **harmonisation?**
  - problem of interpretation: definition of „serious crimes“
  - principle of proportionality: which data can be useful for investigations?
  - access and use: prosecutors and courts; no access for intelligence, private parties
  - mandatory court intervention
  - Art. 14: evaluation 15 september 2010
-
